| 16.30 - 17.20                   | Elective Lectures                | Elective Lectures   |                      |
| <b>4 OCTOBER 2018 THURSDAY</b>  |                                  |   |                      |
| 08.30 - 09.20                   | Int. to Inf. & Comm.Tech.        | Introduction to Information & Communication Technologies                                    |                      |
| 09.30 - 10.20                   | Int. to Inf. & Comm.Tech.        | Introduction to Information & Communication Technologies                                    |                      |
| 10.30 - 11.20                   | Int. to Inf. & Comm.Tech.        | Introduction to Information & Communication Technologies                                    |                      |
| 11.30 - 12.20                   | Int. to Inf. & Comm.Tech.        | Introduction to Information & Communication Technologies                                    |                      |
| 13.30 - 14.20                   |                                  | Study Hours   |                      |
| 14.30 - 15.20                   |                                  | Study Hours   |                      |
| 15.30 - 16.20                   |                                  | Study Hours   |                      |
| 16.30 - 17.20                   |                                  | Study Hours   |                      |
| <b>5 OCTOBER 2018 FRIDAY</b>    |                                  |   |                      |
| 08.30 - 09.20                   | Histology                        | Definition of histology, microscopes and histologic techniques                              | Feral ÖZTÜRK         |
| 09.30 - 10.20                   | Histology                        | General properties of cells   | Feral ÖZTÜRK         |
| 10.30 - 11.20                   |                                  | Study Hours   |                      |
| 11.30 - 12.20                   |                                  | Study Hours   |                      |
| 13.30 - 15.20                   |                                  | Study Hours   |                      |
| 15.30 - 17.20                   | Turkish Language and Literature  | Turkish Language and Literature   |                      |

**Third Week**

| <b>8 OCTOBER 2018 MONDAY</b>     |                                  |  |                      |
|----------------------------------|----------------------------------|--|----------------------|
| 08.30 - 09.20                    | Foreign Language                 | Foreign Language   |                      |
| 09.30 - 10.20                    | Foreign Language                 | Foreign Language   |                      |
| 10.30 - 11.20                    | Foreign Language                 | Foreign Language   |                      |
| 11.30 - 12.20                    |                                  | Study Hours  |                      |
| 13.30 - 14.20                    | Med. Biochemistry                | Functional groups (Hydrocarbons, Alkanes, Alkenes, Alkynes, Alkyl groups)  | Ümmühani ÖZEL TÜRKCÜ |
| 14.30 - 15.20                    | Med. Biochemistry                | Functional groups (Hydrocarbons, Alkanes, Alkenes, Alkynes, Alkyl groups)  | Ümmühani ÖZEL TÜRKCÜ |
| 15.30 - 16.20                    | Medical Biology                  | Transport of substances from the cell membrane   | Esin SAKALLI ÇETİN   |
| 16.30 - 17.20                    | Medical Biology                  | Transport of substances from the cell membrane   | Esin SAKALLI ÇETİN   |
| <b>9 OCTOBER 2018 TUESDAY</b>    |                                  |  |                      |
| 08.30 - 09.20                    | Medical Biology                  | Organelles   | Esin SAKALLI ÇETİN   |
| 09.30 - 10.20                    | Medical Biology                  | Organelles   | Esin SAKALLI ÇETİN   |
| 10.30 - 11.20                    | Biophysics                       | Scaling and Size, Function Relationship in Living Creatures  | Parivash AMİNİ       |
| 11.30 - 12.20                    | Biophysics                       | Scaling and Size, Function Relationship in Living Creatures  | Parivash AMİNİ       |
| 13.30 - 14.20                    | Med. Biochemistry                | Functional groups (Alcohols,& Ethers)  | Ümmühani ÖZEL TÜRKCÜ |
| 14.30 - 15.20                    | Med. Biochemistry                | Functional groups (Alcohols,& Ethers)  | Ümmühani ÖZEL TÜRKCÜ |
| 15.30 - 16.20                    | Biostatistics                    | Displaying and Summarizing Quantitative Data   | Atila GÖKTAŞ         |
| 16.30 - 17.20                    | Biostatistics                    | Displaying and Summarizing Quantitative Data   | Atila GÖKTAŞ         |
| <b>10 OCTOBER 2018 WEDNESDAY</b> |                                  |  |                      |
| 08.30 - 09.20                    | Med. Biochemistry                | Functional groups (Aldehydes & Ketones)  | Ümmühani ÖZEL TÜRKCÜ |
| 09.30 - 10.20                    | Med. Biochemistry                | Functional groups (Aldehydes & Ketones)  | Ümmühani ÖZEL TÜRKCÜ |
| 10.30 - 11.20                    | Medical History and Ethics       | Health and disease concepts in primitive societies and early civilizations, diagnosis and therapeutic approaches | Hatice DEMİR KÜRECİ  |
| 11.30 - 12.20                    | Medical History and Ethics       | Health and disease concepts in primitive societies and early civilizations, diagnosis and therapeutic approaches | Hatice DEMİR KÜRECİ  |
| 13.30 - 14.20                    | Princ. of Atatürk and Rev. Hist. | Princ. of Atatürk and Rev. Hist.   | Osman KÖSE           |
| 14.30 - 15.20                    | Princ. of Atatürk and Rev. Hist. | Princ. of Atatürk and Rev. Hist.   | Osman KÖSE           |
| 15.30 - 17.20                    | Elective Lectures                | Elective Lectures  |                      |
| <b>11 OCTOBER 2018 THURSDAY</b>  |                                  |  |                      |
| 08.30 - 09.20                    | Int. to Inf. & Comm.Tech.        | Introduction to Information & Communication Technologies   |                      |
| 09.30 - 10.20                    | Int. to Inf. & Comm.Tech.        | Introduction to Information & Communication Technologies   |                      |
| 10.30 - 11.20                    | Int. to Inf. & Comm.Tech.        | Introduction to Information & Communication Technologies   |                      |
| 11.30 - 12.20                    | Int. to Inf. & Comm.Tech.        | Introduction to Information & Communication Technologies   |                      |
| 13.30 - 14.20                    | Behavioral sciences              | Brain, Biology of behavior, Biopsycosocial approach model  | Ümit Başar SEMİZ     |
| 14.30-15.20                      | Behavioral sciences              | Brain, Biology of behavior, Biopsycosocial approach model  | Ümit Başar SEMİZ     |
| 15.30 - 16.20                    | Behavioral sciences              | Introduction to psychology   | Leman İNANÇ          |
| 16.30 - 17.20                    | Behavioral sciences              | Introduction to psychology   | Leman İNANÇ          |
| <b>12 OCTOBER 2018 FRIDAY</b>    |                                  |  |                      |
| 08.30 - 09.20                    | Histology                        | Cell membrane  | Feral ÖZTÜRK         |
| 09.30 - 10.20                    | Histology                        | Cell membrane  | Feral ÖZTÜRK         |
| 10.30 - 11.20                    | Biostatistics                    | Biostatistics and General Concepts, Displaying and Describing Categorical Data                                   | Atila GÖKTAŞ         |
| 11.30-12.20                      | Biostatistics                    | Biostatistics and General Concepts, Displaying and Describing Categorical Data                                   | Atila GÖKTAŞ         |
| 13.30 - 15.20                    |                                  | Study Hours  |                      |
| 15.30 - 17.20                    | Turkish Language and Literature  | Turkish Language and Literature  |                      |

**Fourth Week**

| <b>15 OCTOBER 2018 MONDAY</b>    |                                  |  |                      |
|----------------------------------|----------------------------------|--|----------------------|
| 08.30 - 09.20                    | Foreign Language                 | Foreign Language   |                      |
| 09.30 - 10.20                    | Foreign Language                 | Foreign Language   |                      |
| 10.30 - 11.20                    | Foreign Language                 | Foreign Language   |                      |
| 11.30 - 12.20                    |                                  | Study Hours  |                      |
|                                  |                                  |  |                      |
| 13.30 - 14.20                    | Med. Biology Lab.                | Light microscope and usage technique                                       | Tuba EDGÜNLÜ         |
| 14.30 - 15.20                    | Med. Biology Lab.                | Light microscope and usage technique                                       | Tuba EDGÜNLÜ         |
| 15.30 - 16.20                    | Med. Biology Lab.                | Light microscope and usage technique                                       | Esin SAKALLI ÇETİN   |
| 16.30 - 17.20                    | Med. Biology Lab.                | Light microscope and usage technique                                       | Esin SAKALLI ÇETİN   |
| <b>16 OCTOBER 2018 TUESDAY</b>   |                                  |  |                      |
| 08.30 - 09.20                    | Med. Biochemistry                | Functional groups (Acides, Esters & Amides)                                | Ümmühani ÖZEL TÜRKÇÜ |
| 09.30 - 10.20                    | Med. Biochemistry                | Functional groups (Acides, Esters & Amides)                                | Ümmühani ÖZEL TÜRKÇÜ |
| 10.30 - 11.20                    | Biophysics                       | Strength, Balance, Mobility and Human Body                                 | Parivash AMIINI      |
| 11.30 - 12.20                    | Biophysics                       | Strength, Balance, Mobility and Human Body                                 | Parivash AMIINI      |
|                                  |                                  |  |                      |
| 13.30 - 14.20                    | Med. Biochemistry                | Biological membrane chemistry and cellular transport                       | İsmail Çetin ÖZTÜRK  |
| 14.30 - 15.20                    | Med. Biochemistry                | Biological membrane chemistry and cellular transport                       | İsmail Çetin ÖZTÜRK  |
| 15.30 - 16.20                    | Biostatistics                    | Numerical Descriptors  | Atila GÖKTAŞ         |
| 16.30 - 17.20                    | Biostatistics                    | Numerical Descriptors  | Atila GÖKTAŞ         |
| <b>17 OCTOBER 2018 WEDNESDAY</b> |                                  |  |                      |
| 08.30 - 09.20                    | Medical History and Ethics       | Hippocrates and clinical medicine, the new identity of physician           | Müesser ÖZCAN        |
| 09.30 - 10.20                    |                                  | Meeting with Coordinators  |                      |
| 10.30 - 11.20                    | Medical Biology                  | Organelles   | Esin SAKALLI ÇETİN   |
| 11.30 - 12.20                    | Medical Biology                  | Organelles   | Esin SAKALLI ÇETİN   |
|                                  |                                  |  |                      |
| 13.30 - 14.20                    | Princ. of Atatürk and Rev. Hist. | Princ. of Atatürk and Rev. Hist.   | Osman KÖSE           |
| 14.30 - 15.20                    | Princ. of Atatürk and Rev. Hist. | Princ. of Atatürk and Rev. Hist.   | Osman KÖSE           |
| 15.30 - 16.20                    | Elective Lectures                | Elective Lectures  |                      |
| 16.30 - 17.20                    | Elective Lectures                | Elective Lectures  |                      |
| <b>18 OCTOBER 2018 THURSDAY</b>  |                                  |  |                      |
| 08.30 - 09.20                    | Int. to Inf. & Comm.Tech.        | Introduction to Information & Communication Technologies                   |                      |
| 09.30 - 10.20                    | Int. to Inf. & Comm.Tech.        | Introduction to Information & Communication Technologies                   |                      |
| 10.30 - 11.20                    | Int. to Inf. & Comm.Tech.        | Introduction to Information & Communication Technologies                   |                      |
| 11.30 - 12.20                    | Int. to Inf. & Comm.Tech.        | Introduction to Information & Communication Technologies                   |                      |
|                                  |                                  |  |                      |
| 13.30 - 14.20                    | Behavioral sciences              | Basic communication skills: Listening, Verbal communication, Body language | Ümit Başar SEMİZ     |
| 14.30 - 15.20                    | Behavioral sciences              | Basic communication skills: Listening, Verbal communication, Body language | Ümit Başar SEMİZ     |
| 15.30 - 16.20                    | Histology                        | Membraneous organelles   | Feral ÖZTÜRK         |
| 16.30 - 17.20                    | Histology                        | Membraneous organelles   | Feral ÖZTÜRK         |
| <b>19 OCTOBER 2018 FRIDAY</b>    |                                  |  |                      |
| 08.30 - 09.20                    |                                  | Study Hours  |                      |
| 09.30 - 10.20                    |                                  | Study Hours  |                      |
| 10.30 - 11.20                    |                                  | Study Hours  |                      |
| 11.30 - 12.20                    |                                  | Study Hours  |                      |
|                                  |                                  |  |                      |
| 13.30 - 15.20                    |                                  | Study Hours  |                      |
| 15.30 - 17.20                    | Turkish Language and Literature  | Turkish Language and Literature  |                      |

**Fifth Week**

| <b>22 OCTOBER 2018 MONDAY</b>    |                                  |   |                     |

| 08.30 - 09.20                    | Foreign Language                 | Foreign Language  |                     |
| 09.30 - 10.20                    | Foreign Language                 | Foreign Language  |                     |
| 10.30 - 11.20                    | Foreign Language                 | Foreign Language  |                     |
| 11.30 - 12.20                    |                                  | Study Hours   |                     |
|                                  |                                  |   |                     |
| 13.30 - 14.20                    | Med. Biochemistry                | Body water equilibrium and Concentration concept  | Ercan SARUHAN       |
| 14.30 - 15.20                    | Med. Biochemistry                | Body water equilibrium and Concentration concept  | Ercan SARUHAN       |
| 15.30 - 16.20                    | Medical Biology                  | Intercellular Connections   | Esin SAKALLI ÇETİN  |
| 16.30 - 17.20                    | Medical Biology                  | Intercellular Connections   | Esin SAKALLI ÇETİN  |
| <b>6 NOVEMBER 2018 TUESDAY</b>   |                                  |   |                     |
| 08.30 - 09.20                    | Medical History and Ethics       | Beginning of experimental medicine with other sciences and new discoveries and physicians | Hatice DEMİR KÜRECİ |
| 09.30 - 10.20                    | Medical History and Ethics       | Beginning of experimental medicine with other sciences and new discoveries and physicians | Hatice DEMİR KÜRECİ |
| 10.30 - 11.20                    | Medical Biology                  | Cell surface differentiation Adhesion molecules ECM                                       | Esin SAKALLI ÇETİN  |
| 11.30 - 12.20                    | Medical Biology                  | Cell surface differentiation Adhesion molecules ECM                                       | Esin SAKALLI ÇETİN  |
|                                  |                                  |   |                     |
| 13.30 - 14.20                    | Med. Biochemistry                | Medical Biochemistry Lab. Instrumentation   | İsmail Çetin ÖZTÜRK |
| 14.30 - 15.20                    | Med. Biochemistry                | Medical Biochemistry Lab. Instrumentation   | İsmail Çetin ÖZTÜRK |
| 15.30 - 16.20                    | Biostatistics                    | Sampling Methods, Observational Studies and Experiments                                   | Atila GÖKTAŞ        |
| 16.30 - 17.20                    | Biostatistics                    | Sampling Methods, Observational Studies and Experiments                                   | Atila GÖKTAŞ        |
| <b>7 NOVEMBER 2018 WEDNESDAY</b> |                                  |   |                     |
| 08.30 - 09.20                    |                                  | Study Hours   |                     |
| 09.30 - 10.20                    | Medical History and Ethics       | Turkish World and Medicine in Ottoman Period and physicians                               | Müesser ÖZCAN       |
| 10.30 - 11.20                    |                                  | Study Hours   |                     |
| 11.30 - 12.20                    |                                  | Study Hours   |                     |
|                                  |                                  |   |                     |
| 13.30 - 14.20                    | Princ. of Atatürk and Rev. Hist. | Princ. of Atatürk and Rev. Hist.  | Osman KÖSE          |
| 14.30 - 15.20                    | Princ. of Atatürk and Rev. Hist. | Princ. of Atatürk and Rev. Hist.  | Osman KÖSE          |
| 15.30 - 16.20                    | Elective Lectures                | Elective Lectures   |                     |
| 16.30 - 17.20                    | Elective Lectures                | Elective Lectures   |                     |
| <b>8 NOVEMBER 2018 THURSDAY</b>  |                                  |   |                     |
| 08.30 - 09.20                    | Int. to Inf. & Comm.Tech.        | Introduction to Information & Communication Technologies                                  |                     |
| 09.30 - 10.20                    | Int. to Inf. & Comm.Tech.        | Introduction to Information & Communication Technologies                                  |                     |
| 10.30 - 11.20                    | Int. to Inf. & Comm.Tech.        | Introduction to Information & Communication Technologies                                  |                     |
| 11.30 - 12.20                    | Int. to Inf. & Comm.Tech.        | Introduction to Information & Communication Technologies                                  |                     |
|                                  |                                  |   |                     |
| 13.30 - 14.20                    |                                  | Study Hours   |                     |
| 14.30 - 15.20                    |                                  | Study Hours   |                     |
| 15.30 - 16.20                    | Histology                        | Cell cycle and mitosis, meiosis   | Hülya ELBE          |
| 16.30 - 17.20                    | Histology                        | Cell cycle and mitosis, meiosis   | Hülya ELBE          |
| <b>9 NOVEMBER 2018 FRIDAY</b>    |                                  |   |                     |
| 08.30 - 09.20                    | Biostatistics                    | From Randomness to Probability  | Atila GÖKTAŞ        |
| 09.30 - 10.20                    | Biostatistics                    | From Randomness to Probability  | Atila GÖKTAŞ        |
| 10.30 - 11.20                    |                                  | Study Hours   |                     |
| 11.30 - 12.20                    |                                  | Study Hours   |                     |
|                                  |                                  |   |                     |
| 13.30 - 15.20                    |                                  | Study Hours   |                     |
| 15.30 - 17.20                    | Turkish Language and Literature  | Turkish Language and Literature   |                     |

**Eighth Week**

| <b>12 NOVEMBER 2018 MONDAY</b>    |                                  |   |                     |
|-----------------------------------|----------------------------------|---|---------------------|
